# try like it CREATE it

Christmas Tree Napkin ring

This template can be cut by hand from colored lightweight cardstock. If you have a personal cutting machine, there is an SVG file that can be downloaded at Try it - Like it - Create it.

Make as many as you need for your holiday table.

cut one - yellow
glue to top of
one half of tree

Cut one - green
wrap around napkin
fit slices together to join

attach yellow star to top
of tree on one half only
